Dear The Rotary Club of Hanover County:

On behalf of Hanover Preschool Initiative, I would like to thank you for the generous donation received on August 28, 2013. Your kindness is an affirmation to the good work we do with children every day. I enjoyed speaking to your group about the comprehensive services we provide to children and families in Hanover County.

We sincerely appreciate your support at the start of the new school year.

Sincerely,

Dawn Ault
