Dear JoAnn:

We are so grateful to the Hanover Rotary Club Foundation for another wonderful gift to help graduates of Hanover County Public Schools continue their education at Reynolds Community College. This gift will bring the total of your support for the year to \$4,000. We've awarded two scholarships for fall and will save the remainder for a spring award. We are incredibly grateful to you for continuing to include us in the Shrimp & Suds proceeds. It takes a lot of effort on Hanover Rotary's part, and we're thankful to be included in your generosity.

Enclosed is a receipt for your records. And, an FYI: This year, we have two scholarship luncheons, our traditional September luncheon on 9/25/14 and a special Nursing Scholarship Luncheon on 11/10/14. We were finding that many nursing students were missing the luncheons because they had to participate in clinicals, but this November date looks like more will have a better chance to attend. Hopefully, you, Norm, and Bruce can make it to these, as you will have recipients at both. If you can't, we'll certainly arrange student attendance at one of your meetings.

Many thanks!

Marianne S. McGhee
Director of Development
