Dear Ms. Meaker:

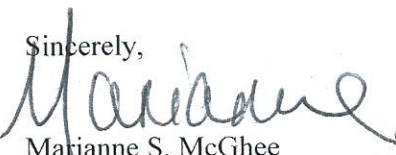

Please extend our heartiest thanks to the members of the Hanover Rotary Club for your incredible donation! It is an honor for Reynolds to benefit from everyone's hard work at fundraising and community outreach.

I had the additional pleasure of meeting Mr. Bruce Perretz, who shared with me the Club's wish to have the \$6,000 gift distributed equally among the four Hanover High Schools to benefit an average student on the basis of need. I cannot tell you how terrific it was to hear that news. So many of our most eager and hardworking students are not always those with the very highest grade point averages in their senior year of high school; but when they find a program that interests them here at Reynolds, they hit a new stride. Thank you so much for making a way for them to be here.

If it is okay with you and your members, we would like to "hold" this gift in your scholarship fund and award it next spring for the fall 2014 semester, as classes have already begun for this academic year. After the recipients are chosen next spring, we would love to have them join you at one of your meetings; it is so important for our students to thank the folks who make their scholarships possible. In the meantime, Nichole Page (Scholarship Manager) and I would be happy to come out and provide an update on the college or answer any questions.

Enclosed is a receipt for your records. Should you have any questions or guidance for me, please contact me anytime at 804-523-5810 or by email at [mmcgee@reynolds.edu](mailto:mmcgee@reynolds.edu).

Again, thank you. Next year, *four* students will begin their college studies because of Hanover Rotary Club. What a wonderful gift!

Sincerely,  
  
Marianne S. McGhee  
Director of Development
