

Dear Mr. Clint Norris,

We sincerely appreciate your very generous donation to Raise, Inc. The money will be used to purchase a coffee trailer that will help us fulfill our mission of providing training and job opportunities in our community for youth/young adults with developmental disabilities. This trailer brings us closer to accomplishing this goal by enabling us to participate in events throughout the Hanover County area. Our kids are very excited to share with the community, the skills they are learning from their school-based coffee businesses. We look forward to our continued partnership with the Rotary Club of Hanover County and the opportunities we will create together to raise the lives of people with disabilities within our community.

Sincerely,  
The Raise, Inc. Team
